

TOMA BANICEVIC

First-year student · Business, Data & AI
Paris, France · tbanicevic@albertschool.com

First-year Business, Data & AI student at Albert School x Mines Paris – PSL. Dual national and trilingual with a European School background and an interest in operations and project management. Recent hands-on experience includes financial modelling and product prototyping through a BCG business case.

EDUCATION

Albert School × Mines Paris – PSL Paris
Bachelor in Business, Data & AI 2026 – 2029

- Project-based curriculum combining business decision-making, statistics and Python through company-led Business Deep Dives.

European School of Brussels I Brussels
European Baccalaureate 2026

- Advanced Maths, Physics and Chemistry; bilingual FR-EN curriculum

Université Paris Dauphine – PSL, London campus London
Pre-University Autumn Camp, Economics & Management Oct 2025

EXPERIENCE

Synchrone × Dataiku — Business Deep Dive II, Albert School Paris
Team project, 5 members — owner of the demo video Sep – Oct 2026

- Produced the team's 4m43s demo video through four iterations, incorporating team feedback at each round for the final presentation.
- Structured the demo around the jury's key question - *would Synchrone pay for it?* - linking the Dataiku pipeline to the business case (≈ €0.45 technical cost per hour of video).

ManageME — BCG Business Case, Albert School Paris
Team project, 5 members — business plan and prototype Sep 2026

- Built the 5-year, 3-scenario business plan in Excel, defining the underlying assumptions; the model projected break-even in 3 years on €500k of non-dilutive funding.
- Built a 3-screen app prototype using AI coding tools; used as the product demo for the team's final pitch at BCG's Paris office.

Cours Albert — macOS app Paris
Personal project 2026

- Designed and built, using AI coding assistants, a macOS app combining the school's timetable, exams, grades and attendance in a single view; now used by 2 classmates.

ACTIVITIES

Albert Crew Sailing — Albert School Paris
Crew member, 2026 – 2027 season Oct 2026 – present

- Selected for the 2026-27 crew through written application and interview; holds a Category B skipper licence.
